

# FARAAZ KHAN

Frontend Developer - Student Freelancer

Howrah, Kolkata - West Bengal | Phone: +91 9830258886 | Email: kfaraazkhan06@gmail.com | GitHub: github.com/faraazkhan8886

## PROFILE

---

Frontend developer and BCA student with hands-on experience building responsive, animated, and real-payment-integrated websites. Creator of DRIPSTR - an Amazon-style fashion store project.

## SKILLS

---

Languages: HTML5, CSS3, JavaScript

Frameworks/Libraries: Bootstrap, Tailwind CSS, React (basic)

Tools: Git, GitHub, VS Code, Netlify, Razorpay integration

Other: Responsive design, SEO fundamentals, Admin dashboard UI

## PROJECT EXPERIENCE

---

DRIPSTR (Live E-commerce Site)

- Built a multi-page Amazon-style frontend with HTML/CSS/JS
- Integrated Razorpay payment gateway for real transactions
- Developed an admin panel to add/edit products
- Implemented dark theme, sticky 3D navbar, and category dropdowns
- GitHub: [github.com/faraazkhan8886/dripstr](https://github.com/faraazkhan8886/dripstr)
- Live demo: [Your hosted link here]
